January 17,

SIR:

INFORMATION DISCLOSURE STATEMENT - SECTION 1.97 (b)

Under the provisions of 37 C.F.R. Section 1.56, and in accordance with 37 C.F.R. Sections 1.97 and 1.98, applicants' representative hereby submits U.S. Patent & Trademarks Office Form PTO-1449. Copies of the references cited therein are submitted for consideration in the examination of the above-referenced patent application. It is respectfully requested that they be made of record, along with whatever references the Examiner may find in the course of a search, should the Examiner consider them material to the subject application.

In accordance with Section 1.97(b) (3), it is believed that this Statement is being filed before the mailing date of a first Office Action on the merits.

In accordance with Section 1.97(e) (1), the undersigned hereby certifies that each item of information contained herein was cited for the first time in a communication from a foreign patent office in a counterpart foreign application not more than three (3) months prior to the filing of this Statement.

The references were cited during prosecution of the corresponding Chinese application.

The US patent 5 931 079 was considered by the Chinese Examiner to be particularly pertinent.

In view of this reference, it may be necessary (upon thorough consideration) to limit claim 1 so as to more distinctly define the invention.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read 'K. Bach', written in a cursive style.
